TRADE VISITOR INFORMATION & BENEFITS

MEET THE WORLD'S AEROSPACE PIONEERS

Every two years, ILA Berlin warmly welcomes the aerospace industry to Berlin ExpoCenter Airport, serving as a global aerospace hub and trade show. Here in the heart of Europe, the aerospace community unites for an extraordinary event that showcases latest technologies and innovation and creates invaluable connections.

Date: June 5 – 9, 2024

Trade visitor days: June 5 – 7, 2024

Public visitor days: June 8 – 9, 2024

Opening Hours: 10 a.m. – 6 p.m.

Venue: Berlin ExpoCenter Airport

WHY YOU SHOULDN'T MISS ILA BERLIN

EXPLORE THE WHOLE RANGE OF AEROSPACE

- ▶ Meet the international industry of Aviation, Defence & Support, Space, Supplier and Advanced Air Mobility (AAM) under one trade show
- ▶ Connect with key industry players, meet your partners and establish new business relationships

INNOVATION & TECHNOLOGY

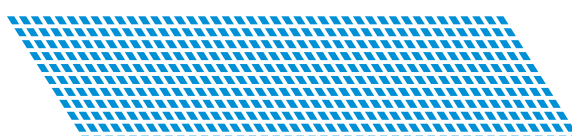

- ▶ Explore the latest innovations and technologies through products and demonstrations of 550+ exhibitors
- ▶ Experience the future of aerospace through our special areas; Space Pavilion, AAM Hub (Advanced Air Mobility), Military Support Center (MSC) and more

LATEST INDUSTRY DEVELOPMENTS & INSIGHTS

- ▶ Discover the latest industry developments and insights at our conference program – ILA STAGES and get inspired by top-notch speakers, panel discussions and presentations

NETWORK, NETWORK, NETWORK

- ▶ Benefit from our online platform ILA Digital and networking event to connect with exhibitors and trade visitors
- ▶ Schedule targeted meetings at the Networking Hub in Hall 6 with our B2B matchmaking program, ILA Connect & Meet, in partnership with EEN (Enterprise Europe Network)

WHAT TO EXPECT AT ILA BERLIN 2024

› TAILORED EXHIBITION

Explore our five ILA Segments – Aviation, Defence & Support, Space, Supplier, and Advanced Air Mobility. Each segment is showcased in dedicated exhibition areas, offering tailored experiences to highlight the technology and innovation driving the aerospace industry.

› STATIC & FLYING DISPLAY

ILA Berlin is no longer a classical air show. Our static and flying display highlights carefully selected partners and aircraft, offering up-close encounters with cutting-edge technology from the aerospace industry.

› TOPNOTCH CONFERENCE - ILA STAGE

Content is King: four stages are dedicated for the ILA Segments Aviation, Space, Defence & Support, Advanced Air Mobility within the halls and will be the content reference for trade visitors with fascinating expert meetings, panel discussions, debates, and science slams exploring tomorrow's aerospace trends.

› NETWORKING

Engage with the global aerospace community through our online platform, ILA Digital and B2B matchmaking program.
